Barry Jean Ancelet : Cajun and Creole Folktales: The French Oral Tradition of South Louisiana before purchasing it in order to gage whether or not it would be worth my time, and all praised Cajun and Creole Folktales: The French Oral Tradition of South Louisiana:

2 of 2 people found the following review helpful. Great Fun ..Book...By marc loganGreat Book !.Fun ... Learned a lot about some of My Folks !Thanks Doc.Ancelet !! ...0 of 0 people found the following review helpful. Five StarsBy ruthieSeries of stories and cultural background.8 of 9 people found the following review helpful. authenticBy DJLit is easy to see why Dr. Barry Jean Ancelet is widely considered one of the foremost experts in folklore. this

wonderful anthology brings to life the personalities and identities of Cajuns and Creoles. stories are transcribed in the native french dialect as well as in english for native and non-native french readers. such a joy to read about a rich culture.

This teeming compendium of tales assembles and classifies the abundant lore and storytelling prevalent in the French culture of southern Louisiana. This is the largest, most diverse, and best annotated collection of French-language tales ever published in the United States. Side by side are dual-language retellings the Cajun French and its English translation along with insightful commentaries. This volume reveals the long and lively heritage of the Louisiana folktale among French Creoles and Cajuns and shows how tale-telling in Louisiana through the years has remained vigorous and constantly changing. Some of the best storytellers of the present day are highlighted in biographical sketches and are identified by some of their best tales. Their repertory includes animal stories, magic stories, jokes, tall tales, Pascal (improvised) stories, and legendary tales all of them colorful examples of Louisiana narrative at its best. Though greatly transformed since the French arrived on southern soil, the French oral tradition is alive and flourishing today. It is even more complex and varied than has been shown in previous studies, for revealed here are African influences as well as others that have been filtered from America's multicultural mainstream.

Language Notes Text: English, French (translation) Original Language: French From the Inside Flap The largest and most diverse collection of Louisiana folktales ever published From the Back Cover This teeming compendium of tales assembles and classifies the abundant lore and storytelling prevalent in the French culture of southern Louisiana. It is the largest, most diverse, and best annotated collection of French-language tales ever published in the United States. Side by side are dual-language retellings - the Cajun French and its English translation - along with insightful commentaries. This volume reveals the long and lively heritage of the Louisiana folktale among French Creoles and Cajuns and shows how tale-telling in Louisiana has remained vigorously and constantly changing. Some of the best storytellers of the present day are highlighted in biographical sketches and are identified by some of the best tales. Their repertory includes animal stories, magic stories, jokes, tall tales, Pascal (improvised) stories, and legendary tales - all of them colorful examples of Louisiana narrative at its best. Though greatly transformed since the French arrived on southern soil, the French oral tradition is alive and flourishing today. It proves to be even more complex and varied than has been shown in previous studies, for revealed here are African influences as well as others that have been filtered from America's multicultural mainstream.
