Chika Onyeani : Capitalist Nigger before purchasing it in order to gage whether or not it would be worth my time, and all praised Capitalist Nigger:

0 of 0 people found the following review helpful. On the path to wealth building ? A must read!By Tamara WestwoodThough at first glance the title which contains "N" word, could be an immediate turn off for many. However, it is a must read for anyone of any race, who wishes to fully grasp the art and science of collective economics...outlining the truth behind the material success of some groups, and the utter economic failure of others.1

of 1 people found the following review helpful. Excellent work
By Antonio Neto
This book was above my expectations, I do share the author's point of view. I do believe that black people find a lot of excuses to validate our inaction towards success. We do know what white people did and continue doing to us but we fail to unity and find the Solution.
0 of 0 people found the following review helpful. The must read book by black people, especially any african. Open your mind.
By Customer
This is the book with knowledge hidden from black people, but thankfully here is revealed to black people. Take the time to read it and share with fellow black people.

Economic autonomy is Dr. Onyeani's prevailing treatise cooperative ideologies inherent in other ethnic groups that is missing within the Black Race, breeds endemic dependency. Until every individual within the African diaspora recognizes and heeds Dr. Onyeani's counsel, the Black race will continue to be marginalized and victimized. Dr. Sam Chekwas, Publisher

"...definitive book on the Black Race that every Black person would like to have written, but didn't have the courage." -- Andreaus Guilty, TV personality
"This is a book of passionate sense of outrage and collective self-reproach. The beginning of self-reform is self-criticism." -- Ali A. Mazrui, D. Phil., (Oxon), Albert Schweitzer Professor in the Humanities, Director, Institute of Global Cultural Studies, Binghamton University
About the Author
Onyeani is a journalist of international acclaim, distinction and recognition. A former diplomat, he is the publisher and editor-in-chief of the African Sun Times, which has received numerous awards for journalistic excellence. A sought-after speaker, Onyeani is an alumnus of several major institutions of higher learning, both in England and the United States.
