**Marcia Goldlist : Cards Toasts For Almost All Occasions: Express Yourself in Rhyme (Volume 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cards Toasts For Almost All Occasions: Express Yourself in Rhyme (Volume 2):

1 of 1 people found the following review helpful. Worth BuyingBy Anna Banana's CreationsI am impressed with all

the details and greetings and toasts. Saves me the troubling brain of mine to dish out a good last minute greeting card saying. Very very good. 1 of 1 people found the following review helpful. a great resource

In this age of e-cards, it's nice to be able to add a sweet, personalized thought to cards 'everyone' gets. This book is a perfect resource for those wishes. It offers a wide variety of poems, on all the major life events, which are easily adaptable for the special people in your life. 1 of 1 people found the following review helpful. Good

Pretty useful for toasts and cards

Cards Toasts For Almost All Occasions: Express Yourself in Rhyme is the solution for anyone who creates their own cards or makes toasts. In this book you will find rhymes for anything from anniversary celebrations, to a new car, to thanking guests for coming to your family celebration. There are 180 rhymes in 20 main categories.

From the Author  
With this book I help you find rhymes that express your feelings for just about anyone for any occasion. Take the poems as they are written, take a few lines from this poem and a few from another or add some of your own lines.
