1 of 1 people found the following review helpful. A Must !By B. L. MooreThis book is great for anyone taking care of a loved one with AD. I have re-read it over and over. Great help. Thanks0 of 0 people found the following review helpful. This ook was bought for the library of a retirement ...By Mary A. AuvilleThis ook was bought for the library of a retirement community. Many have read it and profited from the advice.

Clarify your thinking on an issue that can tear families apart!Caring for a Loved One with Alzheimers Disease: A Christian Perspective is the touching story of a womans daily struggles as a caregiver to her mother who suffers from Alzheimers disease. Youll learn how Gods presence in her life has helped her. You will also find practical day-to-day tips for living with a loved one suffering from senile dementia and how your spirituality can make the journey easier for both of you. This important guide provides an honest description of the emotions you may be forced to come to terms with while dealing with a loved one or parishioner with Alzheimers disease and how Gods presence in your life can help lift that burden.Caring for a Loved One with Alzheimers Disease gives you firsthand accounts of the stages of pain, despair, acceptance, and victory that you may experience while caring for someone with Alzheimers to let you know that what you are feeling is normal and that God will help you overcome these challenges. Alzheimers disease often goes undetected until its later stages. This informative book renders a clear description of the disease, alerting you to the known warning signs of dementia, and preparing you for the possibility of such a diagnosis.Caring for a Loved One with Alzheimers Disease is filled with tips and suggestions to make caring for your loved one easier for both of you, such as: learning to separate the person from the disease researching the disease and keeping informed about every aspect of this progressive and irreversible neurological disorder realizing that you need emotional support and should seek help from your pastor, church care group, or best friend discovering how having power of attorney and creating a living will can prevent many problems in the future understanding that to care for your loved one at home is challenging and that taking simple steps, such as baby-proofing your house, will prevent traumatic disasters turning your anger and guilt to positive energy and avoiding emotional drain and strainThis unique book offers you solace amidst the turbulence of caring for someone stricken with this difficult condition. Caring for a Loved One with Alzheimers Disease provides an open and honest description of how faith can comfort and support you and your family while you care for someone with dementia.
