He was thrilled.0 of 0 people found the following review helpful. this book is a good resource to help you cope and deal with your ...By Jennifer ReffnerIf you have a parent who is in the hospital or declining in health quickly, this book is a good resource to help you cope and deal with your new normal. Also good to share with the parent that is caring for the loved one.0 of 0 people found the following review helpful. Very helpful information!By Blue eyezThis book was my guide through the care of my mother until she passed. I would recommend this book to anyone who contemplates taking care of a family loved one. It had a lot of

information to focus on and even comforting thoughts to think about when you are in their end stages. I would recommend this book. Thank you Focus on the Family.

Whether you're preparing for the responsibility or are in the midst of caring for an elderly loved one, this complete guide from Focus on the Family provides the practical information you need and a spiritual and emotional lifeline. Topics include burnout; physical, emotional, and mental changes in aging; medical, financial, and legal help; elder abuse; choosing a care facility; and end-of-life decisions. Caregivers will also learn what the Bible says about caregiving and the keys to effectively fulfilling that role. True stories throughout the guide share common concerns and a sense of support from those who have been there.
