American Alliance of Museums : Caring For Collections: Strategies for Conservation, Maintenance and Documentation before purchasing it in order to gage whether or not it would be worth my time, and all praised Caring For Collections: Strategies for Conservation, Maintenance and Documentation:

Developed by the American Association of Museums with the support of the National Endowment for the Humanities, this pamphlet explores the most important responsibility of all museums—collections care. More than 65 curators, registrars, and conservators discuss how to improve environmental collections in museums, manage inventory, register objects, and enhance public awareness of museum collection.
