**Thomas J., Jr. Ray : Charitable Gift Planning: A Practical Guide for the Estate Planner** before purchasing it in order to gage whether or not it would be worth my time, and all praised Charitable Gift Planning: A Practical Guide for the Estate Planner:

2 of 6 people found the following review helpful. Charitable Gift Planning A Practical Guide for the Estate PlannerBy Jeffrey M. CheyneThis book is the first edition. In August 2007 the second edition was published. I do not know why does not have the second edition.

When Congress passed the Pension Protection Act of 2006, they created what may be the most significant reform to charitable planning since the Tax Reform Act of 1969. This practice-focused book is now fully updated to explain the

legislation's impact on all aspects of charitable planning. It provides clear and insightful explanations of all relevant tax law, financial considerations, and includes drafting guidelines, and forms to assist with clients' charitable giving needs as part of a comprehensive estate and financial plan. Includes drafting guides and sample forms on CD-ROM.
