DisappointmentBy picky consumerEither it was described wrong or I read it wrong; but it turned out to be a little (3x5) book, so I felt like it was a waste of money.6 of 6 people found the following review helpful. Great RecapBy A CustomerI really like having a summary of faith-related itesm to be able to share with groups of volunteers I work with in my job with Lutheran Brotherhood. The stories are heartwarming, and everyone can relate to them on some level. Not only do I always keep a copy with me, the book also makes an excellent gift.
