Jack Canfield, Mark Hansen, Carol Rehme : Chicken Soup for the Soul The Book of Christmas Virtues: Inspirational Stories to Warm the Heart before purchasing it in order to gage whether or not it would be worth my time, and all praised Chicken Soup for the Soul The Book of Christmas Virtues: Inspirational Stories to Warm the Heart:

0 of 1 people found the following review helpful. Not 101 STORIESBy L. LohmanAs an avid chicken soup collector this book was good, but it sure was not enough! Only about half the size of normal chicken soup books, it also contained only about half the stories. At least these stories were NEW and not culled from other books. But it was pretty disappointing in that the book was about the size of a Readers Digest. Not much too it.

Chicken Soup for the Soul Book of Christmas Virtues is a timeless collection of stories that highlights kindness, joy, faith, simplicity, wonder and love that comes with the inspiring season. The book is filled with story treats for every member of the family and reminds us once and for all times that Christmas is a season full of hope, of dreams and more than a celebration.
