**Liming Wei : Chinese Festivals (Introductions to Chinese Culture)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chinese Festivals (Introductions to Chinese Culture):

0 of 0 people found the following review helpful. Great BookBy someoneI really enjoyed reading it. I little bit of chinese culture. It was refreshing. And it explains the origins of the chinese festivals.

One of the most distinctive features of Chinese culture is the great variety of unique festivals that has evolved over the course of China's long history. Chinese festivals are deeply rooted in popular tradition and despite China's many

changes they remain firmly established as part of the country's vibrant culture. Chinese Festivals introduces a representative selection of these celebrated traditions with full color illustrations, providing a flavor of the diversity and development of traditional Chinese culture.

About the Author Wei Liming was born in Beijing in 1950. She has worked for the Institute of Biophysics of the Chinese Academy of Sciences and written for Beijing magazine. She has published widely on the subject of Chinese culture and China's ancient civilization.
