Jonathan A. Ship : Clinicians Guide to Oral Health in Geriatric Patients (American Academy of Oral Medicine Clinician's Guides)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Clinicians Guide to Oral Health in Geriatric Patients (American Academy of Oral Medicine Clinician's Guides):

The purpose of this monograph is to provide a summary of the influence of aging, systemic disease and its treatments on oral health. This guide will also provide a summary of the etiology, clinical appearance, and treatments of common oral conditions that affect older populations.

About the Author Jonathan Ship Professor, Department of Oral and Maxillofacial Pathology, Radiology, and Medicine; Director, Bluestone Center for Clinical Research; New York University College of Dentistry; Professor, Department of Medicine; New York University School of Medicine; New York, NY.
