Jean Dennison : Colonial Entanglement: Constituting a Twenty-First-Century Osage Nation (First Peoples: New Directions in Indigenous Studies (University of North Carolina Press Paperback)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Colonial Entanglement: Constituting a Twenty-

First-Century Osage Nation (First Peoples: New Directions in Indigenous Studies (University of North Carolina Press Paperback)):

0 of 0 people found the following review helpful. Accurate and thorough review of the Osage constitutional process. By supernaws The definitive review of the Osage constitutional process. Accurate in every detail.

From 2004 to 2006 the Osage Nation conducted a contentious governmental reform process in which sharply differing visions arose over the new government's goals, the Nation's own history, and what it means to be Osage. The primary debates were focused on biology, culture, natural resources, and sovereignty. Osage anthropologist Jean Dennison documents the reform process in order to reveal the lasting effects of colonialism and to illuminate the possibilities for indigenous sovereignty. In doing so, she brings to light the many complexities of defining indigenous citizenship and governance in the twenty-first century. By situating the 2004-6 Osage Nation reform process within its historical and current contexts, Dennison illustrates how the Osage have creatively responded to continuing assaults on their nationhood. A fascinating account of a nation in the midst of its own remaking, *Colonial Entanglement* presents a sharp analysis of how legacies of European invasion and settlement in North America continue to affect indigenous people's views of selfhood and nationhood.

An engaging analysis of the recent Osage reform movement that led to the adoption of the 2006 Osage constitution.--Ethnohistory Short, smart, and highly readable. . . . A very thoughtful presentation.--Anthropology Database Dennison's future perspective is a burgeoning literature in anthropology and Native American Studies.--American Ethnologist An elegant, effective analysis of debates over Osage nationhood in the early twenty-first century, contextualized by a sophisticated discussion of broader questions of indigenous sovereignty, identity, and citizenship.--Pauline Turner Strong, University of Texas at Austin A model work of scholarship. Dennison takes us inside Osage nation hearings, negotiations, and viewpoints to tell a compelling story rich with ethnographic, historical, and political detail.--Kevin Bruyneel, Babson College From the Inside Flap From 2004 to 2006 the Osage Nation conducted a contentious governmental reform process in which sharply differing visions arose over the new government's goals, the Nation's own history, and what it means to be Osage. Osage anthropologist Jean Dennison documents the reform process in order to reveal the lasting effects of colonialism and to illuminate the possibilities for indigenous sovereignty. In doing so, she brings to light the many complexities of defining indigenous citizenship and governance in the twenty-first century.
