Nkuzi Michael Nnam : Colonial Mentality in Africa before purchasing it in order to gage whether or not it would be worth my time, and all praised Colonial Mentality in Africa:

Intended for a broad audience, Colonial Mentality in Africa explores the lingering effects of colonization in present

day Africa. Despite the independence of all African nations from their former colonizers mental slavery still persists. This new work explores the social climate of Africa and the thriving "colonial mentality". The book explores issues such as matriarchy, religion, tradition and values, law, the influence of Islam, and government.

About the Author Dr. Nkuzi Nnam is the Director of the African and African American studies program and Associate Professor of Philosophy at Dominican University. He received his Ph.D. in Philosophy from DePaul University. Dr. Nnam is also the author of *Anglo-American and Nigerian Jurisprudence*.
