Book for College CoursesBy Jason SchaafGood information about all Community-Based Corrections that are within the Criminal Justice system. A book I needed for my class for college. Good price for a college book compared to Bookstore price!

This text, known for its balanced and in-depth coverage, focuses on all forms of community-based correctional facilities from traditional probation programs to more current programs such as electronic monitoring, house arrest, day-treatment, bootcamp and fines. The authors offer especially strong examples of programs throughout the country

designed to control, monitor, and in some cases, rehabilitate offenders.
