Meg Tyler Mitchell Ph.D., Scott Pentzer Ph.D. : Costa Rica: A Global Studies Handbook (Global Studies: Latin America the Caribbean) before purchasing it in order to gage whether or not it would be worth my time, and all praised Costa Rica: A Global Studies Handbook (Global Studies: Latin America the Caribbean):

5 of 5 people found the following review helpful. An annotated bibliography and an index round out this down-to-earth, highly readable primer. By Midwest Book Review Part of the Global Studies: Latin America The Caribbean series, *Costa Rica: A Global Studies Handbook* is a solid educational text written for students, travelers, businesspeople, and anyone interested in gaining a better understanding of this beautiful nation. *Costa Rica: A Global Studies Handbook* is divided into a narrative section (which relates the history of the land along with information about its politics, institutions, society, and culture) and a reference section (which has a timeline of key events in Costa Rican history, a listing of significant Costa Rican organizations, and entries of key Costa Rican historical figures, places, and events). An annotated bibliography and an index round out this down-to-earth, highly readable primer.

This work is a fascinating guide to one of Latin America's most stable and progressive nations, examining the country's development, unique features, and the challenges Costa Ricans face in the 21st century. Provides a chronology of key events in the evolution of the nation of Costa Rica from early signs of civilization over three thousand years ago through colonization and independence to the present Includes political and geographical maps with photographs of natural attractions, tropical animals and plants, and the nation's people

"Costa Rica: A Global Studies Handbook is a solid educational text written for students, travelers, businesspeople, and anyone interested in gaining a better understanding of this beautiful nation." - Midwest Book "This handbook is recommended for academic and public libraries for their country studies collection." - American Reference Books Annual About the Author Meg Tyler Mitchell, PhD, is an independent scholar living in San Jose, Costa Rica. Scott Pentzer, PhD, is director of Latin American Programs for the Associated Colleges of the Midwest, based in San Jose, Costa Rica.
