I feel like A LOT of the book is repetitive and the actual information could be summed up in 1 or 2 chapters.0 of 0 people found the following review helpful. Had to buy it for college...now, proudly and permanently sitting on my bookshelf!By Dee GlazierAs a Social Worker, working with the culturally diverse requires a unique set of skills. This book aids in learning appropriate treatment methods. Definitely worth reading more than once.0 of 0 people found the following review helpful. Must readBy Evangeline PointerIt was very informative in preparing you for counseling multi cultural clients. The intention of the book was met in giving you vital information about different cultural beliefs.
