Larry McMurtry : Crazy Horse: A Life before purchasing it in order to gage whether or not it would be worth my time, and all praised Crazy Horse: A Life:

Legends cloud the life of Crazy Horse, a seminal figure in American history but an enigma even to his own people in his own day. This superb biography looks back across more than 120 years at the life and death of this great Sioux warrior who became a reluctant leader at the Battle of Little Bighorn. With his uncanny gift for understanding the human psyche, Larry McMurtry animates the character of this remarkable figure, whose betrayal by white

representatives of the U.S. government was a tragic turning point in the history of the West. A mythic figure puzzled over by generations of historians, Crazy Horse emerges from McMurtry's sensitive portrait as the poignant hero of a long-since-vanished epoch.
