**John L. Worrall : Crime Control in America: What Works? (3rd Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Crime Control in America: What Works? (3rd Edition):

0 of 0 people found the following review helpful. Five StarsBy Sean JohnsonWell, I got an A in the class so.0 of 0 people found the following review helpful. Five StarsBy Sue Belise HullThis was a good book. It was assigned as a class text but very good. I rented this text and I would recommend that anytime.1 of 1 people found the following review helpful. ... of my accelerated classes and found this book really easy to readBy TatiUsed this book in one of my accelerated classes and found this book really easy to read. The author has a sense of humor, which makes the reading even easier.

This comprehensive, straightforward text introduces readers to the many methods of crime control and reviews the research concerning their effectiveness with a fair and balanced approach. Crime Control in America: What Works?, 3e, provides in-depth coverage of policing, prosecution and courts, and legislative methods of crime control. It moves

beyond the justice system and examines the effectiveness of crime control at the individual, family, school, and community levels. Finally, it covers environmental criminology and explanations of large-scale crime trends, particularly the reductions witnessed during the 1990s. Unlike others on the market, this book also examines crime control that is informal in nature, one that does not rely on involvement by the criminal justice system or other forms of government intervention. Worrall presents a comprehensive view of crime control in America while maintaining a neutral ideological stance. Unlike most of the competition, this straightforward, student-friendly text does not presuppose any knowledge of the criminal justice system. This book is geared specifically toward undergraduate students of any major, including community college students. The book covers more methods of crime control than any of its competitors, and all the most controversial and current approaches are discussed in-depth. Teaching and Learning Experience This book offers a current look at crime control and its effectiveness, examining emerging areas in the field. It provides: Comprehensive, up-to-date coverage with unique content: Exposes students to a wide range of methods of crime control in America

This text is thorough and exacting in its coverage, and it is a reliable review of the evidence. It is profound in its organizational and presentation logic. It is that best of things in a book: authoritative. -- Todd Clear, John Jay College of Criminal Justice

From the Back Cover Crime Control in America introduces readers to the many methods of crime control and reviews the research concerning their effectiveness. The text covers policing, prosecution and courts, and legislative methods of crime control. It also moves beyond the justice system and examines the effectiveness of crime control at the individual, family, school, and community levels. Finally, it covers environmental criminology, juvenile crime control, and explanations of large-scale crime trends, particularly the reductions witnessed during the 1990s.
