**Marc Riedel, Wayne Welsh : Criminal Violence: Patterns, Explanations, and Interventions** before purchasing it in order to gage whether or not it would be worth my time, and all praised Criminal Violence: Patterns, Explanations, and Interventions:

0 of 0 people found the following review helpful. Awesome book By Kris It is a very informative book! I needed this for a term paper I am writing and the information is laid out perfectly. It arrived right on time. 0 of 0 people found the following review helpful. Actually a good read! By Stacey B Ordered for Class. Actually a good read!

Criminal Violence: Patterns, Explanations, and Prevention, Fourth Edition, provides a current, comprehensive, and highly accessible overview of major topics, theories, and controversies within the field of criminal violence. Using engaging, straightforward language, Marc Riedel and Wayne Welsh consider diverse theoretical perspectives and present state-of-the-art prevention and intervention methods. In their discussions of various types of violence, the

authors employ a consistent and coherent three-part framework that allows students to see the important relationships between research, theory, and application.

"The ideal book for this course needs to touch on a wide variety of violence, causation, and patterns. This text does a really good job of covering these topics, and the tripartite approach of examining patterns, causes, and prevention flows rather nicely."--Carol Higgins O'Brien, University of Massachusetts Lowell "This text provides a well-researched and comprehensive discussion of the history of criminal violence in the United States, contemporary violent activities, types of violence, and governments' responses to violence."--Abu Mboka, California State University, Stanislaus "Criminal Violence offers a broad survey of violence by both type and context, and its 'tripartite approach' of patterns, explanations, and interventions is logical and intuitive. The book is clearly written and user friendly."-James Densley, Metropolitan State University About the Author Marc Riedel is Professor of Sociology at Southeastern Louisiana University. Wayne Welsh is Professor of Criminal Justice at Temple University.
