**Michael Kuby, John Harner, Patricia Gober : Human Geography in Action 6e Binder Ready Version+ WileyPLUS Registration Card** before purchasing it in order to gage whether or not it would be worth my time, and all praised Human Geography in Action 6e Binder Ready Version+ WileyPLUS Registration Card:

1 of 1 people found the following review helpful. Solid Book for an AP Human Geography class.By Stevenson MartinThe chapters are fairly straightforward. What makes the book helpful for teaching AP Human Geo is the online and interactive activities at the back of each chapter. Th online activities really enhance the book.0 of 0 people found the following review helpful. Five StarsBy ANGELA M. GORDONGreat1 of 1 people found the following review helpful. Great Source for GeographyBy NiniI'm using this book for class and it's very interesting. Each chapter has a bunch of great information about all parts of the world and also great learning activities to ensure learning is efficient.

This package includes a three-hole punched, loose-leaf edition of ISBN 9781118291528 and a registration code for the WileyPLUS course associated with the text. Before you purchase, check with your instructor or review your course syllabus to ensure that your instructor requires WileyPLUS. For customer technical support, please visit <http://www.wileyplus.com/support>. WileyPLUS registration cards are only included with new products. Used and rental products may not include WileyPLUS registration cards. Michael Kuby's 6th edition of *Human Geography in Action* is comprised of 14 stimulating, concept-based chapters. The text aims to develop geographic problem-solving skills that prove valuable to readers. Each chapter begins with an introduction to a concept, followed by a case study tying the concept into the real world and wraps up with an activity. These engaging activities featured throughout the text further its Do Geography approach. *Human Geography in Action* provides the opportunity to: use GIS to investigate ethnic distributions and culture regions, track the AIDS epidemic over space and time, model interstate migration flows, simulate India's demographic future, add new baseball franchises, animate past urban growth and assess future growth areas.
