Andrew Jones : Human Geography: The Basics before purchasing it in order to gage whether or not it would be worth my time, and all praised Human Geography: The Basics:

Human Geography: The Basics is a concise introduction to the study of the role that humankind plays in shaping the world around us. Whether its environmental concerns, the cities we live in or the globalization of the economy, these

are issues which affect us all. This book introduces these topics and more including: global environment issues and development cities, firms and regions migration, immigration and asylum landscape, culture and identity travel, mobility and tourism agriculture and food. Featuring an overview of theory, end of chapter summaries, case study boxes, further reading lists and a glossary, this book is the ideal introduction for anybody new to the study of human geography.

About the Author Professor Andrew Jones is Head of the School of Geography, Environment and Development Studies at Birkbeck, University of London. Previous publications include Dictionary of Globalization and Globalization: Key Thinkers.
