Five Stars By Sergio Thanks for everything, luxury attention. 0 of 0 people found the following review helpful. Excellent By Lilly Book arrived very fast and was an in excellent condition ! Needed it for college course but they were sold out, glad I was able to get it for almost half the price

Fellmann et al's Human Geography introduces students to the scope and excitement of human geography and its relevance to their daily lives. This edition continues to convey the breadth of human geography and to provide insight into the nature and intellectual challenges of the field of geography itself. The authors pay special attention to gender issues and assume no previous experience in geography on the part of the students.
