**William H. Brackney : Human Rights and the World's Major Religions, 2nd Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Human Rights and the World's Major Religions, 2nd Edition:

Based on the celebrated five-volume set published in 2005, this updated one-volume edition offers readers a concise yet complete understanding of the interplay between the major religions and human rights.

"[W]ell written and addressing the most essential questions about the intersection of human rights and religion, it is a good introduction to the world's major religions. . . . Recommended." - Choice
