**From Brand: United States Senate : Hurricane Katrina, A Nation Still Unprepared: Special Report Together with Additional Views** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hurricane Katrina, A Nation Still Unprepared: Special Report Together with Additional Views:

1 of 1 people found the following review helpful. Excellent read. Ginormous in size and detailBy SharaExcellent read. Ginormous in size and detail. Packed with information. Glad I made the purchase.2 of 2 people found the following review helpful. For a gov't doc it is very readableBy Philip WheelerThis report is for every emergency disaster planner or first responder. Basically, it says the country's disasters are gettong bigger and we need to improve immensely in the preparations for the next big one.

Effective response to mass emergencies is a critical role of every level of government. It is a role that requires an unusual level of planning, coordination, and dispatch among governments diverse units.
