The gift that keeps on giving...By A CustomerCathy Lechner is totally hilarious. I found myself reading passages to my sister over the phone, and anyone who would listen! She cleverly tells of her life experiences and immerses the reader with wisdom and Bible truth, while taking you on a fun and exciting journey through the ordinary, extraordinary, and out of the ordinary! Many chapters have caused me to sit and reflect on my own life and how I can be all I can be in Christ and hang on to the hope of my promises coming to pass. The Lord is faithful! She really touches on examples that we can all relate with, but at the same time deals with many wisdom packed ideas of overcoming those obstacles in life (fear, doubt, etc.) that sometimes make us stumble or weary that our promises will come to pass. Her stories are heartwarming, real, inspiring, and based on God's Truth, yet sprinkled with the type of humor that would make the most serious get a chuckle. I am thankful to have run into this author. There is something in this for everyone!
