Norman Wright : I'll Love You Forever: Accepting Your Child When Your Expectations Are Unfulfilled

before purchasing it in order to gage whether or not it would be worth my time, and all praised I'll Love You Forever: Accepting Your Child When Your Expectations Are Unfulfilled:

0 of 0 people found the following review helpful. Not what I expectedBy Amy BrannonThis is a nice read, but it

wasn't the subject matter I thought it was. I thought it was about accepting your child's choices, but it's primarily about a child with severe handicaps.0 of 1 people found the following review helpful. nice to know others feel painBy CustomerThe authors are clearly devout Christians and that does not resonate with me but if that part is just accepted and gotten past, their drive to continue loving their children is comforting2 of 2 people found the following review helpful. A truey memoroable book for any mother childBy vjgir179This is such a great book. The story is simple. And is an excellent bed time story. Every time I read it to my 5 year old son, he loves it as much as I do. Readers can see things through a mothers perspective and at the very end you get a wonderful ending that'll make you look forward to the next reading.
