Lawrence Lader : Ideas Triumphant: Strategies for Social Change and Progress before purchasing it in order to gage whether or not it would be worth my time, and all praised Ideas Triumphant: Strategies for Social Change and Progress:

Great movements spring from great ideas and this book chronicles an idea that changed the complexion of the world: reproductive rights. Written by one of the most influential activists in this area and his book follows the evolution of

this world altering idea. More than just a history of this one important movement, it demonstrates the many variables that must come together for a great thought to become an impacting reality.

About the Author Lawrence Lader wrote the biography of Margaret Sanger in 1955 and wrote the book "Abortion" in 1966 that was frequently cited at the Roe vs. Wade trial. He is a founding chair of the National Abortion Rights Action League and president of the Abortion Rights Mobilization. He has been recognized by women's organizations for the breadth of his work and the depth of his passion.
