Immigration. That single word is enough to spark a passionate debate from either side. Its hard to form a view one way or another when there is so much heated opinion for or against it. The ViewCaps Pros and Cons series takes a step back and looks at the issue objectively. It lays out only the facts and lets you decide what opinion to take. ViewCaps is an imprint of BookCaps Study Guides. With each book, a issue is objectively analyzed. We publish a wide array of topics (from baseball and music to science and philosophy), so check our growing catalogue regularly to see our newest books.
