Professor Mary Douglas : Implicit Meanings (Mary Douglas: Collected Works) before purchasing it in order to gage whether or not it would be worth my time, and all praised Implicit Meanings (Mary Douglas: Collected Works):

Implicit Meanings was first published to great acclaim in 1975. It includes writings on the key themes which are

associated with Mary Douglas' work and which have had a major influence on anthropological thought, such as food, pollution, risk, animals and myth. The papers in this text demonstrate the importance of seeking to understand beliefs and practices that are implicit and a priori within what might seem to be alien cultures.
