**Colin McNairn : In a Manner of Speaking: Phrases, Expressions, and Proverbs and How We Use and Misuse Them** before purchasing it in order to gage whether or not it would be worth my time, and all praised In a Manner of Speaking: Phrases, Expressions, and Proverbs and How We Use and Misuse Them:

3 of 3 people found the following review helpful. A fun readBy EllieThis is a fun book. It is well-written and the

author uses humor to give spice to his descriptions. I thoroughly enjoyed it.3 of 3 people found the following review helpful. There is nothing enlightening about this book.By Susan CSeems to be complete conjecture...and it's just plain boring. Was planning to order the hard copy for a word-lover friend. Glad I decided to read it first and save myself the embarrassment.1 of 1 people found the following review helpful. Nicely written, informative and tremendous detailBy DerekA must for any lovers of the English language! Nicely written, informative and tremendous detail. Entertaining.

What do the whole kit and caboodle, the whole shebang, the whole megillah, the whole enchilada, the whole nine yards, the whole box and dice, and the full Monty have in common? They're all expressions that mean the entire quantity, and they're all examples of the breadth and depth of the English-speaking world's vocabulary. From the multitude of words and phrases in daily use, the author of this delightful exploration into what we say and why we say it zeroes in on those expressions and sayings and their variations that are funny, quirky, just plain folksy, or playfully dressed up in rhyme or alliteration. Some may have become clichés that, as it's said with tongue in cheek, should be avoided like the plague. Others have been distorted, deemed politically incorrect, or shrouded in mystery and must bear some explanation. Among the topics the author delves into are expressions that shouldn't be taken literally (dressed to kill and kick the bucket), foreign expressions that crept into English (carte blanche, carpe diem, and que sera, sera), phrases borrowed from print ads and TV commercials (where there's life, there's Bud and where the rubber meets the road), animal images (a barrel of monkeys and chasing your tail), and food and drink (cast your bread upon the water, chew the fat, bottoms up!, and drunk as a lord). Here's a book for everyone who delights in the mysteries of language and the perfect gift for all the wordies in your life.

About the Author Colin McNairn has enjoyed a career as a professor, a practicing lawyer, an administrative law judge, and a writer, all of which has served to stimulate his interest in the deft use of language. He is the author of books on governmental immunity, freedom of information, and privacy. He lives in Toronto, Ontario.
