M.D. Harold G Koenig : In the Wake of Disaster: Religious Responses to Terrorism and Catastrophe before purchasing it in order to gauge whether or not it would be worth my time, and all praised In the Wake of Disaster: Religious Responses to Terrorism and Catastrophe:

0 of 0 people found the following review helpful. Four Stars By MICHELLE MOORE GREAT READ!!!! 1 of 1 people found the following review helpful. Excellent book for chaplains By M. Lucille Underwood I have purchased this book

for two pastors to read. Because they thought that it was thought provoking, I am recommending it to a new group of chaplains that will be responding to community disasters. 0 of 0 people found the following review helpful. Great deal By psigstad Great book and it was better than described. It was listed as in good used condition but it looks new to me. Arrived within time frame and was well protected.

In a timely book with a powerful and persuasive message, Dr. Harold G. Koenig addresses federal, state, and local government policy leaders, urging them to more fully integrate religious organizations into the formal disaster response system, and he then provides recommendations on how this can effectively be done. Koenig also advocates faith communities and organizations to learn more about the role they can play in responding to disasters and terrorism.

About the Author Harold G. Koenig, MD, is board certified in general psychiatry, geriatric psychiatry, and geriatric medicine. He is on the faculty at Duke as professor of psychiatry and behavioral sciences and associate professor of medicine. Dr. Koenig is Director of Dukes Center for Spirituality, Theology and Health and has published extensively in the fields of mental health, geriatrics, and religion, with over 350 peer-reviewed articles and book chapters and close to 40 books in print or in preparation. He is also a registered nurse.
