**Deborah A. Ziegler : Inclusion for ALL: The UN Convention on the Rights of Persons with Disabilities** before purchasing it in order to gage whether or not it would be worth my time, and all praised Inclusion for ALL: The UN Convention on the Rights of Persons with Disabilities:

0 of 0 people found the following review helpful. A book for human peopleBy NVJustice SeekerThis is a must read for educators and employers and families and people. Disability is a human issue. 100% of families and societies will

have to respond the disability of a member or citizens. Learn how to let go of fears and think about our collective interdependence and how much we all need to be able to rely on one another able-bodied or disabled.

Book by Deborah A. Ziegler

About the Author Deborah A. Ziegler is the associate executive director for policy and advocacy at the Council for Exceptional Children, one of the world's premiere education organizations. She lobbies to improve the quality of life for individuals with exceptionalities through professional excellence and advocacy globally. She has broad public policy experience at the international, national, state and local levels. As a consultant since 1994 to the Open Society Institute, she supports its efforts on inclusive schools and communities worldwide. Dr. Ziegler serves on the board of several international disability organizations whose focus is the implementation of the UN Convention on the Right of Persons with Disabilities.
