Deborah Jaffe : Ingenious Women: From Tincture of Saffron to Flying Machines before purchasing it in order to gage whether or not it would be worth my time, and all praised Ingenious Women: From Tincture of Saffron to Flying Machines:

Examines inventions and discoveries made by women, beginning with the first patent application made in 1637 and ending with the outbreak of war in 1914.

About the Author Deborah Jaffe is an author, Photographer and painter. Her subjects are diverse and include Henry VIII, Queen Victoria, Masks, the Construction of books and photomontage. She appeared as a Great Exhibition expert on Channel 4's History Hunters and on Women's Hour to discuss woman and technology in the 19th century. Her paintings are in private collection in Britain and Europe.
