The Story of a Life Lived and finding Self and LoveBy Richard S.As a young man who grew up like

many to envision this woman as a Goddess, I had to read about her life. At a young age she imprinted upon me to the point where all women were some form of Seka. It was a pleasure to discover she is just human. Her tale is that of so many of us. A life lived, choices made, and living with our decisions. I enjoyed her exploits, gaining an understanding of what she did and why showed the growth of a girl full of vulnerability and self doubt to a woman of strength and confidence. It is a shame that she did not find love in her life earlier, and that those who professed to love and care for her ultimately used her. Although she takes the blame for not being on top of the situation financially, it is a shame that she could not trust or love those closest to her. It was also nice that she dispelled the myths and rumors about herself and the industry. That brought closure. I also find it sad that she never got to experience a child, but perhaps that was by choice, and maybe for the better. Great story.

"The Mount Rushmore of Adult Entertainment has four heads: John Holmes, Marilyn Chambers, Jenna Jameson, and Seka. That's it; there ain't no more." - Bill Margold, famed adult film actor, agent, producer, director, and activist
Seka - The Platinum Princess, the Marilyn Monroe of Porn, the queen of XXX cinema's Golden Age, and John Holmes' favorite leading lady. Seka is a legendary performer in the annals of adult cinema, and many would say the greatest. Seka's name was so big in XXX that her name above the title was not enough - her name had to be in the title! Seka's real life story, though, is as enigmatic as her screen persona. She was never a victim - on-screen or off. This is no tale of remorse, abuse, or self-destructive behavior. Seka was post-feminist before the term was born. Inside Seka is the story of a survivor, a trailblazer, and an icon - still one of the most popular and famous porn stars ever; the last of the natural beauties. "Before the Jennas, the Bree Olsons, or the Savannas, the undisputed blonde bombshell of XXX movies was Seka, which makes her story so important in the history of adult entertainment." - Ron Jeremy, porn legend, holder of the Guinness Book of World Records for "Most Appearances in Adult Films". "From calling the shots in a film genre in the days when it was completely controlled by men, to standing and being heard at the infamous Meese Commission, Seka shatters the myth of the poor little victim who lost her way. Don't expect excuses and apologies. This is one blonde bombshell who lives by her own rules." - Candida Royalle, author, entrepreneur, and erotic film pioneer "She was one of the hottest girls in the XXX business, able to seduce any man she wanted. So it should come as no surprise that her story is riveting." - Larry Flynt, Hustler magazine
