Livingston If you care about changing the world, this is a great workbook to help you understand what is important to you and it helps you create an action plan for your life and your philanthropic influence on the world. 11 of 11 people found the following review helpful. Great Book! By John Treadway I have given to charities for years, but always felt that I'd be able to give better with a solid plan. Inspired Philanthropy is a very comprehensive guide to creating a plan, funding it and managing it. It's a quick read too! 0 of 2 people found the following review helpful. This newest edition of the classic book shows how anyone can align and integrate values, passions, and dreams for their communities and families into their plans. Inspired Philanthropy explains how to make a difference by creating giving and legacy plans, tells what questions to ask nonprofits, and spells out how to help partner with advisors and nonprofit leaders for inspired outcomes. In addition to overall updates to statistics, the new edition includes a discussion of the implications of the Buffett gift to the Gates Foundation; new legacy planning tools; expanded resources on youth, giving circles, and communities of color; key questions for advisors and donors; and worksheets and resources available on the enclosed CD.
