H. Bruce Stokes : Integration of Behavioral Sciences and Theology: A Systematic-Integration Approach before purchasing it in order to gage whether or not it would be worth my time, and all praised Integration of Behavioral Sciences and Theology: A Systematic-Integration Approach:

Integration of Behavioral Sciences and Theology: A Systematic-Relational Approach is an introduction to the subject of the nature of the relationship between the behavioral sciences and theology. It examines the history of the field and offers an overview of the models of integration currently in use. It calls for a systematic and relational approach to the subject that defines integration as the placing of behavioral sciences and theology into proper relationship. This is accomplished by comparing the epistemologies and worldviews of the behavioral sciences and theology.
