From Wiley : International Handbook of Applied Research in Intellectual Disabilities before purchasing it in order to gage whether or not it would be worth my time, and all praised International Handbook of Applied Research in Intellectual Disabilities:

The landmark International Handbook of Applied Research in Intellectual Disabilities presents, explains, and illustrates key methods of research and evaluation of proven relevance and value to the field of intellectual disabilities.

It features sections on the concepts and theoretical models underlying research and evaluation, the methods and techniques themselves, and the key application areas where the methods are demonstrated in action. Coverage includes applications in educational, social, family, health, and employment aspects of care and provision for those with intellectual disabilities.
