Mark K. Bauman : Jewish American Chronology: Chronologies of the American Mosaic before purchasing it in order to gage whether or not it would be worth my time, and all praised Jewish American Chronology: Chronologies of the American Mosaic:

This comprehensive and analytical history of American Jews and Judaism from the Colonial Era to the present explores the impact of America on Jews and of Jews on America. Hundreds of entries, organized chronologically, explain and analyze America's impact on Judaism and Jews, and Jews' impact on America. Photographs of individuals, businesses, synagogues, and orphans' homes, striking workers, suffragettes, and statuary with explanatory labels. Dozens of glossary entries that define and clarify key terms from "anti-Semitism" to "Zionism," as well as historical jargon like "colonial charters" and "established churches." A select bibliography of books, journals, and web pages guides the reader in further study.

"As an up-to-date, small-format, easy to use, and complete volume, it is hard to imagine a better reference source for schools and synagogues." - Association of Jewish Libraries
