could find so I was really nervous about this one. The cover made it look like a children's biography, lol. He loved it! That's really saying something because he is an expert on John Coltrane. He said he learned a lot and could not put it down. I highly recommend!0 of 0 people found the following review helpful. All the minutia you want and more.By CustomerAll the minutia you want and more. I'd like more musical detail but it's more than fan gush.0 of 0 people found the following review helpful. Great ValueBy Rob S.Just as described and better than I expected. Great value and super shipping... outstanding vendor.

John Coltrane was a key figure in jazz, a pioneer in world music, and an intensely emotional force. This biography presents interviews with Coltrane, photos, genealogical documents, and musical analysis that offers a fresh view of Coltrane's genius. It explores the events of Coltrane's life and offers an insightful look into his musical practices.
