Jacqueline Williams-Hines : Joshua, I'm Over Here! before purchasing it in order to gage whether or not it would be worth my time, and all praised Joshua, I'm Over Here!:

Robert is sooo excited to finally be a big brother if only he could get Joshua s attention Join Robert and Joshua on another journey in learning about autism and the importance of family What a touching piece It s nice to have a new perspective on autism We can so easily forget the impact it has on siblings Teka Harris M A BCBA Joshua I m Over Here is a wonderful resource that brings a better understanding of autism through a sibling s perspective The struggles and joys experienced by families of a child with autism are brought to light and life Jason Litto Family Support Manager Williams Hines creatively and colorfully illustrates the world of autism through her series in a way that promotes understanding and empathy This book should be included in school curriculums nationwide to eliminate the

stigma attached to children on the autism spectrum Entertaining and joyous the series is also a valuable tool in facilitating the much needed discussion between parents teachers and children Latoya Bosworth M S Special Education Teacher author of The Right Amount of Sunshine Cultivating Little Girls into Young Ladies
