That's what I love about this book. You can read a sweet story or two at a time when you just need a pick me up. This writing team of Reece and DeMarco are one of my favorites. I have loved everything they've written together. I'm one of those people who often reads Christmas in July because I need to be reminded year round of the incredible gift we receive through the birth of Christ. These stories helped to bring that message back to life in every day kinds of ways in the lives of everyday people. That speaks to me loudly when life gets too complicated. So Thankful for authors like this. 0 of 0 people found the following review helpful. Inspirational By Sandra Nachlinger A great collection of inspirational Christmas stories from Colleen Reece. Short essays/stories are perfect for this busy time of the year. I've enjoyed many of Ms. Reece's books including the stories in Joy To The World and always look forward to the release of another book by this

accomplished author.(This book was given to me as a gift.)

This special gift book is a treasury of holiday stories, reminiscences, ideas, prayers, poetry, recipes, and more! Bring the joy of the holiday season into your home with traditions you can make your own as you celebrate the joy of Christ's birth with your family and friends.
