**John Algeo, Carmen Acevedo Butcher : The Origins and Development of the English Language: Workbook** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Origins and Development of the English Language: Workbook:

0 of 0 people found the following review helpful. Ideal E transaction.By Neal G. CostelloGreat price!Prompt shipping. Great product!1 of 1 people found the following review helpful. As good as the book.By Ricardo De La TorreThe activities in this book really supplement the main text very well. They help cement the ideas in your head and give great practice to the theories and processes explained.0 of 0 people found the following review helpful. Four StarsBy Amber GrayWorked well with the class that I took and I got over a B thanks to this book

This companion to THE ORIGINS AND DEVELOPMENT OF THE ENGLISH LANGUAGE supplements and enhances material presented in the main textbook. Chapter-by-chapter exercises help students master text material efficiently. A wide variety of topics, problems, and data gives instructors ample material for class discussion. The

wealth of information in this workbook invites selective use and assistance with many aspects of the subject that a student may find challenging. For example, students can answer review questions that enrich their learning and they can work on exercises that help them become thoroughly familiar with the Oxford English Dictionary.
