NICHOLAS ABERCROMBIE (EDITOR) : The Penguin Dictionary of Sociology before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Penguin Dictionary of Sociology:

0 of 0 people found the following review helpful. Five StarsBy Leslie Hulkowergreat, very helpful0 of 0 people found the following review helpful. Penguin DictionaryBy CustomerA good quality book cover is intact in good condition very helpful for studies0 of 0 people found the following review helpful. Dictionary of sociologyBy Ellis 77I have found Penguin dictionaries to be useful. But they can be a little frustrating because they leave out information I would consider important. The biggest overlook in the Dictionary of Sociology is the absents of W.E.B. Du Bois.The dictionary overall is good and I think it comes in handy for tutoring introductory courses. The information is presented in an easy to understand language. And has been a good tool for assisting the classroom.
