Francis Fr. Canavan : The Pluralist Game: Pluralism, Liberalism, and the Moral Conscience before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pluralist Game: Pluralism, Liberalism, and the Moral Conscience:

The 'pluralist game,' the way in which we attempt to resolve the problems arising out of our pluralism through the political and judicial processes, necessarily engages the citizens of our society. This book brings together 14 essays from a leading Catholic political theorist to address the central issue of American theological, political, and social thought: the relationship between religion, morals, law, and public policy in a pluralistic liberal society.

...13 insightful essays...Kelly presents a story as exciting as a classic drama. (New Oxford)This book should be required reading for every observer of American public life. (Bradley, Gerard V.)...provides us with a penetrating analysis of the political implications of our growing religious pluralism ... (The Catholic Social Science Dis .40)Anyone interested clear-headed critique of our contemporary social condition should repair quickly to this collection. Canavan is to be commended for his prescience and his good sense,... (Hudson, Christopher)About the AuthorFrancis Canavan, S. J. is Emeritus Professor of Political Science at Fordham University. He has written widely on theology and political philosophy.
