**Nigel Parsons : The Politics of the Palestinian Authority: From Oslo to Al-Aqsa** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Politics of the Palestinian Authority: From Oslo to Al-Aqsa:

This book explores the development of the Palestinian Liberation Organization (PLO) from a liberation movement to a national authority, the Palestinian National Authority (PNA). Based on intensive fieldwork in the West Bank, Gaza

and Cairo, Nigel Parsons analyzes Palestinian internal politics and their institutional-building by looking at the development of the PLO. Drawing on interviews with leading figures in the PLO and the Palestinian Authority, delegates to the negotiations with Israel, and the Palestinian political opposition, it is a timely account of the Israel/Palestine conflict from a Palestinian political perspective.
