Fresh stories to tell at Christmas By Joeteller This dozen collection of Richard Olsons Christmas Stories that he used on Christmas Eve in his church---I would love to have been there. They are sermons in story format and highly tellable and adaptable for retellings. I particularly like the Three Strangers which is based on a chance encounter of a Roman Centurion, an Arab Shepherd and the Jewish Inn Keeper a few weeks after the birth of Jesus when the two come to Inn for a drink--It is crowded and the Inn Keeper invites them to share his table. They find a common bond in sharing their experience with Mary, Joseph and the Baby and how it has affected them. Looking for fresh stories to tell at Christmas? You will find them here 0 of 0 people found the following review helpful. Five Stars By Dorothy Caudle Lovely Christmas stories based on author's thoughts about what might have happened on the first Christmas.

Only four chapters in the New Testament speak about the birth of Jesus. Richard P. Olson has used these scriptures as a starting point for an imaginative journey into the lives of little-mentioned players in the Nativity drama. Take Joseph, for instance. Not one word he spoke was recorded in the Bible. Dubbing Joseph "the practical dreamer," the author tells us through Joseph's eyes the powerful and dramatic story of Christ's birth. Travel back in time with the author to

Speak with Mary, the mother of Jesus, or go on a farfetched journey following a star with the "Misfit," one of the wise men. Or, stay in the present as modern-day "children of peace" make a difference in international disarmament talks.
