**From Drakeford Lillian Dowdell : The Race Controversy in American Education [2 volumes] (Racism in American Institutions)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Race Controversy in American Education [2 volumes] (Racism in American Institutions):

In this unique two-volume work, expert scholars and practitioners examine race and racism in public education, tackling controversial educational issues such as the school-to-prison pipeline, charter schools, school funding, affirmative action, and racialized curricula. Provides essays that are subjective and passionate yet grounded in scholarship and practical experience Challenges assumptions about the roles race and racism play in educational policy and decision making Offers ideas, strategies, and solutions aimed at decreasing racial inequality in public education Addresses concerns related to a variety of historically marginalized student populations, including teen mothers, students with special needs, and immigrant populations Examines global concerns associated with race, racism, and anti-racist pedagogy

"This impressive collection of ideas on a topic of utmost importance will appeal to all who are concerned about the future of American public education. Summing Up: Highly recommended. All academic levels; professionals/practitioners." - Choice "The thoughtful and provocative perspectives of this work will challenge readers of any level. Undergraduates will find this a well-crafted and timely guide for their research." - Library Journal

About the Author Lillian Dowdell Drakeford, PhD, is retired from the Dayton Public Schools, Dayton, OH, where she served as a teacher of the deaf and hard-of-hearing, intervention specialist for children with special needs, curriculum and instruction intervention coach, high school assistant principal, and associate director of curriculum and instruction.
