**Jodi Morley : The Rape That Lasted a Lifetime: Does It Ever End?** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rape That Lasted a Lifetime: Does It Ever End?:

My worst nightmare came true almost 18 years ago. My story begins after being brutally raped in college. It describes

the aftermath immediately after the rape. However, it also details the struggles with Major Depression, Anxiety, Post Traumatic Stress Disorder that has followed me throughout my life and into adulthood. It explains how difficult it is to maneuver in the mental health community.
