Jim Miller : The Savvy Senior: The Ultimate Guide To Health, Family, and Finances For Senior Citizens

before purchasing it in order to gage whether or not it would be worth my time, and all praised The Savvy Senior: The Ultimate Guide To Health, Family, and Finances For Senior Citizens:

0 of 0 people found the following review helpful. I have found a couple of good ideas in the bookBy Sharon WeinrichI have found a couple of good ideas in the book, but most of it was a rehash of what I have read on the subject. The book was in very good condition as stated in the post.3 of 3 people found the following review helpful. Helpful Information, but Needs to be Updated RegularlyBy B. Not ComplacentThis book covers a lot of subjects that are important to seniors, those who are taking care of seniors, and those who will soon be seniors.I have just started

reading this book and I'm finding it quite helpful. My concern is that it is the kind of book with information that will need to be updated on a regular basis. For example, the prices listed for funeral-related items and services are now much, much higher I'm sure. I recommend this book, but I will be looking forward to an updated edition of it. 1 of 1 people found the following review helpful. Savvy Senior By R. Harris I got into reading the book over the Christmas holiday. It has the usual retirement information. I figure one good idea is worth the price of the book. I'm still looking. I'm about to retire and I've been reading everything, so the books are starting to look more and more alike in content. It is good but not extraordinary.

If you're looking for answers to senior questions, here is the solution. Why spend endless hours searching the Internet or talking to automated phone systems trying to figure out your Social Security benefits? Spend only what you need to on your prescription drugs, and get what you're owed from Medicare. Turn to the source that millions of readers have trusted - Jim Miller, the author of "The Savvy Senior" newspaper column, published in over 400 newspapers nationwide.
