Jenny Nordbak : The Scarlett Letters: My Secret Year of Men in an L.A. Dungeon before purchasing it in order to gage whether or not it would be worth my time, and all praised The Scarlett Letters: My Secret Year of Men in an L.A. Dungeon:

3 of 3 people found the following review helpful. Surprisingly Emotional StoryBy tracy readsI loved this book! If youre looking for titillating dark sexual escapades, you wont be disappointed. But the thing that makes this a great read is the underlying story of a courageous young womans journey to self acceptance.The author takes us on an

unconventional journey that begins with the all too familiar self doubt that plagues many young women. Through new experiences and new people, she learns to trust herself and value herself, which ultimately allows her to fully give and accept the love of another. It made me laugh out loud and it made me brush unexpected tears away. 2 of 2 people found the following review helpful. Nothing I Expected BUT Everything I LOVED By JS Mom This book was nothing I expected but everything I loved. It was a journey of self discovery, love, tolerance, acceptance and forgiveness. Yes, and a lot of kinky episodes thrown in for fun. Seriously, it was well written journey of a young woman who discovers herself, others and learns that we are all on a journey and you should never judge anyone you meet. I really enjoyed reading Jenny's memoir but more than that it taught me that we all basically desire to be loved and accepted for who we are. 2 of 2 people found the following review helpful. Much more than a "tell all" By Alli S Much more than a "tell all" about Hollywood stars, this is an intimate book written by a whip-smart young woman about finding acceptance in oneself, as well as a gracious guide to the often misunderstood lifestyle of BDSM. I'd recommend this book to not only those who are slightly curious about BDSM, but anyone who is trying to feel comfortable in their own skin. Ms. Nordbak demystifies and debunks with honesty and humor. It will make you laugh, it might make you cry, ...and may even turn you on. I absolutely loved this book.

Jenny Nordbak takes us to a place that few have seen, but millions have fantasized about, revealing how she transformed herself from a USC grad lacking in confidence into an elite professional dominatrix who finds her own voice, power and compassion for others. On an unorthodox quest to understand her hidden fantasies, Jenny led a double life for two years. By day she was a construction manager, but at night she became Mistress Scarlett. Working at LA's longest-running dungeon, she catered to the secret fetishes of clients ranging from accountants to movie stars. She simultaneously developed a career in the complex and male-dominated world of healthcare construction, while spending her nights as a sex worker, dominating men. Far from the standard-issue powerful men who pay to be helpless, Mistress Scarlett's clientele included men whose fantasies revealed more complex needs, from Tickle Ed to Doggie Dan, from the Treasure Trolls to Ta-Da Ted. The Scarlett Letters explores the spectacularly diverse array of human sexuality and the fascinating cast of characters that the author encountered along the way.

"There are no comparisons for The Scarlett Letters, a wholly original jaunt through a life like none you've ever heard of before and will unquestionably not forget any time soon." - Newsweek "Ex-dominatrix spills how cracking whips and enduring pain led to a happy ending..." - New York Daily News "A dominatrix has revealed how Hollywood insiders get their kinky kicks without getting caught." - The New York Post "The stories told in this book come at you from every angle: amusing, surprising, funny, touching, insightful. Connecting them all is the central story of a young woman in search of her own truth. This book takes the "coming of age" story to a whole new level. Beautifully done." - Dr. Christopher Ryan, New York Times Bestselling author of Sex at Dawn and host of Tangentially Speaking "[An] entertaining read... Throughout, Nordbak is sympathetic in describing her clients as well as frank and funny about her own kinks." - Publishers Weekly "If you've ever wondered exactly what goes on in the kink parlors of L.A., The Scarlett Letters: My Secret Year of Men in an L.A. Dungeon by USC grad Jenny Nordbak will enlighten." - LA Weekly About the Author JENNY NORDBAK earned a B.A in Interdisciplinary Archaeology from the University of Southern California. After graduating, she worked in healthcare construction. Jenny's alter ego, Scarlett, is a dominatrix. Jenny spent two years leading a double life, secretly working as a professional dominant at a dungeon in Los Angeles. She lives in Los Angeles with her husband and son.
